## AICA-606 Extra Power

**Aica-Fox** is High quality multipurpose adhesives. The name Lem Fox and its pale yellow appearance has become synonymous across the nation as one of the top adhesive brand with strength, Japan quality, and durability as its forte.

Aica- Lem Fox is made from synthetic rubber and organic solvent. Its viscous liquid form makes it very easy to use with high bonding strength and excellent resistance to heat, water and moisture.

Easy to use for heavy duty and multipurpose adhesive on your daily use and industrial purposes.

## PVC Solvent Cement

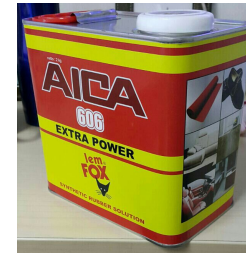

Modern plumbing pipe, especially drain pipe, is almost all plastic. Most of the plastics involved must be joined with solvent cement.

And Lem FOX came out with **PVCPLAS** product to help you to solve your plumbing Problem.
