PT. Golden Harvest Cocoa Indonesia

One of the largest
cocoa processors in Indonesia.

Managed and run by experienced professionals who enable us to produce quality cocoa products that meet our customers' requirements.

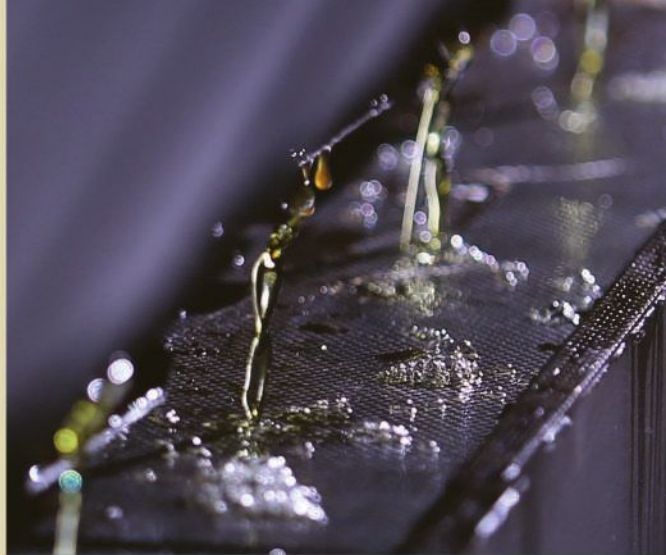

Our factory spans 18 hectares, and is strategically sited in Serang on the outskirts of Jakarta. Close proximity to Indonesia's busiest port Tanjung Priok, allows us easy access for shipment of our products to the rest of the world. This also enables us to source competitively for our raw material, cocoa beans from Java, Sumatra, Sulawesi, Bali and Papua islands. Our presence in Central Sulawesi further strengthens our sourcing capability to take advantage of Indonesia's position as the world third largest producer of cocoa beans.

The factory has an installed annual grinding capacity of 120,000 tonnes of cocoa beans. Our fully automated lines use state-of-the-art technology and equipment. We place emphasis on Food Safety and GMP in our production. The quality control is supported by well trained professionals to ensure product safety and quality. We are ISO 22000, HALAL and KOSHER certified.
