About Us

Solo Kreatif International is a manufacturer of wicker furniture and basketry products with modern design and various woven style and color. Our Company is located in Boyolali, Central Java, Indonesia. Our specialty covers furniture, handicraft, picnic basket, storage basket, home décor products and many miscellaneous items made from eco-friendly synthetic materials of rattan.

Our staff and craftsmen are committed to satisfy our customer's needs, that is why we have always been trying to improve our quality involving skilled craftsmen, tight quality control and other reliable services to produce exquisite and excellent products. Along with that, our product is made available in numerous customized options like designs and sizes according to the needs of our customers.

Market

Currently we supply the demand of various businesses in local market and also international market. Our flexibility in design, quality assurance, and competitive pricing have led our products to be exported to Japan, USA, and some other countries in the world. We are here to supply international market around the world.

SKI has a wide range of products, from furniture to picnic basket. Polyethylene rattan is an all weather material, making this a great product to choose when shopping for outdoor and indoor furniture, not only it has natural look but also low maintenance and lightweight. Our products are made of Synthetic Rattan using 99% HDPE's (Highly Density Polyethylene), which is the same material as milk bottle or vegetable oil bottle, it makes our product such as the basket is washable and food-safe for fruits or bread storage.

EXCELLENT PRODUCT

- Natural rattan/wooden look
- Durable and long life
- Lightweight
- Customized

ENVIRONMENTALLY FRIENDLY

- Non toxic and no heavy metals content
- 100% Recycleable
- Washable
- Food-safe

EXCELLENT COLOR STABILITY

- No color change by sunlight
- Resistant to acid and alkaline
- Resistant to seawater and perspiration

RELIABLE PARTNER

- On time delivery
- Customize product
- Consistent Quality
