

SINAGARA SPICES

# CV. SINAGARA SPICES

QUALITY OF NATURE

SINCE: 2019

BLITAR INDONESIA

The background image shows the exterior of a building with a corrugated metal roof. On the left, there are green metal doors. In the center, a colorful sign for 'CV. SINAGARA SPICES' is mounted on the wall, featuring images of various spices and the text 'QUALITY OF NATURE' and 'BLITAR INDONESIA'. On the right, there are large, light blue metal doors. The ground in front of the building has concrete steps leading up to the entrance.

## Our Business

Our business, in certain seasons, can be converted into dried spices in a variety of ways. Dried spices have many uses and are used in a wide variety of foods and beverages, also have many benefits for body health.

We are CV. SINAGARA SPICES, a leading producer, supplier, manufacturer and exporter, especially Indonesian spices products. We are located in Blitar, East Java, Indonesia. Since 2019 we have sold various types of spices throughout Indonesian and abroad.

## Message from the CEO

- Customer satisfaction can be an effective outcome for the future work of every individual and organization. Large and retail customers in the field of spices are always looking for quality and unique products with suitable packaging.
- Creating the infrastructure necessary to perform this process can be considered as an achievement of any company's goal. Therefore, respect the customer's request both domestically and abroad.
- The company experience gained in recent times has led to all kinds of products in spices being given to esteemed buyers in accordance with the company's objectives in terms of quality and high quantity levels.
