

Company Profile

PT Andalan Energi Indoraya

ANDALAN ENERGI INDORAYA

About Us

PT Andalan Energi Indoraya

PT. Andalan Energi Indoraya is a company that was established in 2020, based in Jakarta, Indonesia. Our company is engaged in trading biomass like wood pellet, palm kernel shell and palm oil derivatives.

Indonesia as a country with a tropical climate has abundant resources such as forest products. In addition, Indonesia is also one of the largest palm oil producing countries in the world. Therefore we are ready to supply your needs both domestic and international markets.
