Testimonials

" This year show has been well-organized and the organizer being very supportive and helpful. They bring quality visitors with good background, and hopefully we could meet more potential leads in next year show.
I hope next year show will be greater, willing to invite more buyers and help furniture industry in Indonesia to stepping forward. "

Surya Hatta, Pinneapple

" This year show is much better from last year show. This year, Goodswood showcased more variety products. From the first day forward, the visitors continue to grow, and they are much segmented signify that they focus on searching products."

Ivan, Goodswood

" In this year show, we were visited by more visitors than last year. Many buyers came and made order, many others came to search for references for future needs. We suggest to increase number of invitations so more people will know about this exhibition."

Vita, Sango
